On 3<sup>rd</sup> March Year 3 visited Durham Cathedral to see their art installation, 'Tunnel of Light'. Year 3 designed and made the parts for the installation along with 3 other schools in our area. It looked spectacular!

Year 2's assembly on 14<sup>th</sup> February was fabulous. They made Valentine necklaces to give to someone special to them.

Nursery children enjoyed learning about pancake day. They made and tasted pancakes. They were delicious!

Year 6 have been using laptops to compose their own pieces of music.

## Easter Service

We would like to invite KS2 Parents/carers to our Easter Service at 9.30am on Friday 31<sup>st</sup> March at St. Edmund's Church. We are sorry for the change of time, but this is due to circumstances beyond St Edmund's control. We look forward to seeing you.

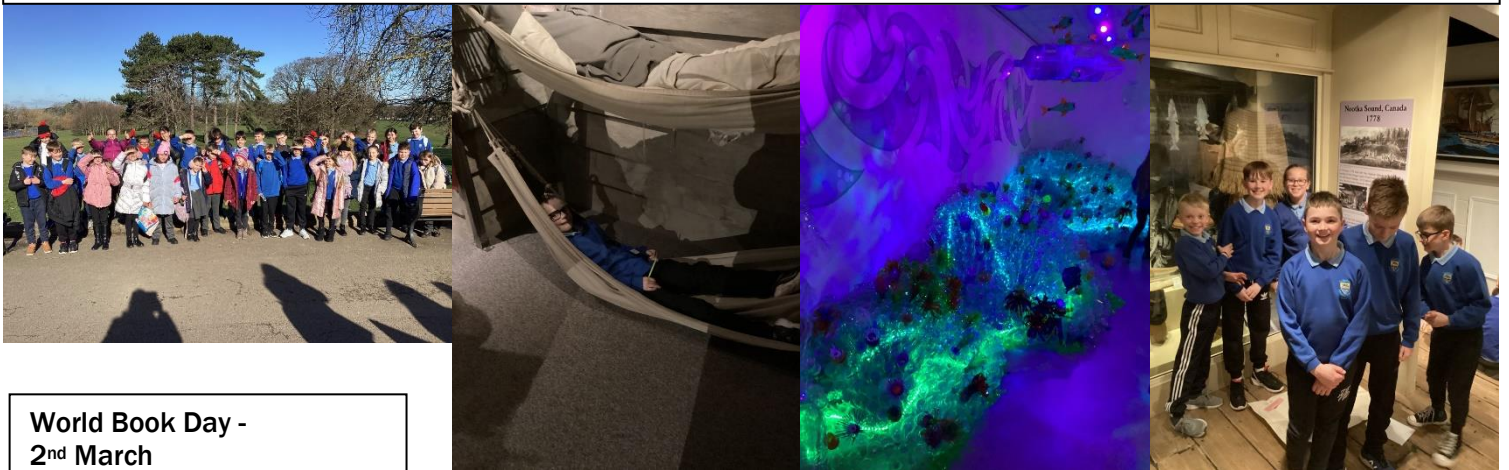

## Website

Please don't forget to keep checking our website: <http://www.sedgefield-pri.durham.sch.uk>. You can also access our Twitter from there, so you can keep up to date with things as they're happening.

Reception finished their topic about vehicles with an amazing visit to Locomotion. They took part in a workshop where they built a steam train and took on the parts of the driver, fireman, conductor, guard and passengers.

Year 5 had an amazing day visiting Captain Cook Museum on 7<sup>th</sup> March, learning lots of different facts about the explorer and seeing the trail of his voyages across the world. They learnt about how life was on the ships he sailed, even about how the crew were disciplined! They looked at a piece of art made out of plastic which represented plastic pollution in our oceans. A fantastic time was had by all.

## World Book Day - 2<sup>nd</sup> March
