- 14th** Sports Day (if the previous one was postponed due to the weather)
- 21st** Leavers' Service
- 21st** Break up for Summer Holidays

Welcome to May's newsletter. Things, as always, are busy in school. It is coming up to important assessments for some classes, so they are working especially hard.

Year 1 enjoyed their second session of outdoor and adventurous activities with Chris. That's not Year 1, it's just leaves!

Year 6 loved the kurling activity they took part in during Disability Sports Day. They became very competitive! They also enjoyed making electric circuits in science.

As part of their local History study Year 4 visited St. Edmund's Church to investigate how it has changed over time. Year 4 are reading Norma Neal's historical novel 'The Magic Mobile' which takes the reader on a time-travelling trip through the history of Sedgefield. Norma introduced the book to the class and explained where she gained her inspiration for the story.

Year 5 thoroughly enjoyed participating in an intense active week of Bikeability Training. On the road bike safety was the key focus for the week. Our Year 5 pupils thoroughly engaged in this well organised programme, which has given them lifelong skills.

Website

Please don't forget to keep checking our website: <http://www.sedgefield-pri.durham.sch.uk>. You can also access our Twitter from there, so you can keep up to date with things as they're happening.

Last month Year 3 had great fun learning country dances in PE lessons.

Year 2 have enjoyed and building.

The nursery children have enjoyed spotting signs of Spring on the school field! They are also keeping a very close eye on their caterpillars to observe them grow and transform into butterflies.

The photos below are a snapshot of how we celebrated the Coronation in Style! We had The Fantastic Mr Forster dazzle us with his magic show, a scrumptious picnic (fit for a King) in the school hall and finished the day off with ice creams. Our hard-working children definitely deserved their special treats.
