- 27<sup>th</sup> PD Day
- June**
- 3<sup>rd</sup> Return after Half Term

Thank you for your continuing support. Things continue to be busy in school and there is lots planned for the coming months too.

Year 2 learned how to write instructions using imperative verbs. Mr Eltringham asked them to write instructions for making jam sandwiches, so it was very important that they tried them out first! The lesson was informative, fun and extremely tasty.

Norma Neal, from the local History Society, shared her knowledge on the history of the Sedgefield Ball Game with Years 3 & 4.

## Good Attendance

February's attendance winners were Year 2, with an attendance of 97%. 22 children in Year 2 were in school every day in February. They will be enjoying a bit of extra playtime as a reward.

## Easter Service

We would like to invite KS2 Parents/carers to our Easter Service at 2.00pm on **Wednesday 27<sup>th</sup> March** at St. Edmund's Church. We will be taking all of the children back to school after the service, but you will be able to collect them early to start the Easter Holidays. We look forward to seeing you.

Year 6 created shadow puppets to investigate how shadows change size with distance from the light source.

## Website

Please don't forget to keep checking our website: <http://www.sedgefield-pri.durham.sch.uk>. You can also access 'X' (Twitter) from there, so you can keep up to date with things as they're happening.

An interactive afternoon workout is planned daily for Year 5 pupils to keep active within the classroom. This time is part of their active 30 minutes exercise a day and offers a welcome break within lessons. Year 5 select the music and will sometimes sing along to well-known tunes as they workout!

## School Office

Mrs Stoutt and Miss Biglin are always happy to help with any little issues you may have. They can also get messages to teachers who can't access their emails during lesson time.

Year 1 loved experimenting with colours inspired by the seasons.

On 8th February our Basketball team won the shield in the Go Well basketball cup and shield event.

Nursery celebrated Valentines Day by making delicious heart shaped biscuits.

Reception finished their topic about vehicles with an amazing visit to Locomotion. They took part in a workshop where they built a steam train and took on the parts of the driver, fireman, conductor, guard and passengers.

Would you live in a mega-city? That's the question year 3 were asked at the close of their geography topic. They decided that for lots of reasons they would not want to, but enjoyed putting together a whole class piece of art to illustrate a crowded city.
